FRIDAY - 2/9/18

(N/M or N/N) PENDING

Ready for REACH?

ACBL's experimental Regional Event At the Club House (REACH) is an ACBL-wide regional that enables players to compete against each other and earn gold points from the comfort of their local club. The same set of deals are played by members in every participating club, but because it's a regional event, players can earn gold or red points while playing in their regular club game!

REACH will be held in conjunction with the ACBL-wide International Fund Game on Saturday, February 3, 2018 with five additional sessions February 5-9, 2018 (Monday through Friday).

Any club in any district can host this event after pre-registration, and all ACBL members can play in REACH after paying a fee of \$30. The REACH fee is in addition to the normal card fees charged by participating clubs. Any registered REACH players may play at any game that a participating club has registered for REACH. Player registration opens on January 10 and closes at midnight, PST, on February 2.
